

PRODUCT DISCLOSURE SHEET

Read this Product Disclosure Sheet before you decide to take up the OCBC Debit Card-i. Be sure to also read the OCBC Debit Card-i Cardmember's Agreement before signing the agreement and using the OCBC Debit Card-i. All references to "OCBC", "we" or "us" shall mean OCBC Al-Amin Bank Berhad (Co. Reg. No. 200801017151).

1. What is this product about?

OCBC Debit Card-i is a payment instrument that allows you to withdraw cash, pay for goods and services, etc. All transaction amounts will be directly paid and debited from your selected OCBC current or savings account-i approved by us (Designated Account), whereby the account is required to allow linkage to the OCBC Debit Card-i. If you close the Designated Account, your OCBC Debit Card-i will be automatically cancelled or terminated.

2. What do I get from this product?

You can use your OCBC Debit Card-i for the following:

• ATM Cash Withdrawal

Withdraw cash from ATMs locally and overseas with display of the OCBC, MEPS and Mastercard logo from over 1 million ATMs worldwide.

• Payment Convenience

Make purchases of goods and services (retail purchases) at all participating merchants worldwide, either at Point Of Sale (POS) terminal or by way of card-not-present (CNP) transactions, see below. Your Debit Card-i may only be used overseas and for CNP transactions after you have opted to do so, see below. Debit Card-i purchases will not be made available for non Shariah merchants (e.g. Casino, liquor shop, non-halal merchants).

• Contactless Purchase

Make retail purchases by tapping your OCBC Debit Card-i on a POS terminal with contactless reader. No PIN is required for each contactless transaction up to RM250 in Malaysia. Read more on the contactless functionality below.

Other features of the OCBC Debit Card-i include:

• Personal Identification Number (PIN)

OCBC will issue a PIN which is used to effect the transactions stated above. If your OCBC Debit Card-i is used for online purchase that requires strong authentication method, you will receive a One-Time-Password (OTP) via short message service (SMS). Please keep your PIN or OTP safe, secure and strictly confidential at all times to mitigate unauthorised or fraudulent transactions using money in your account.

• Your options to perform overseas and card-not-present (CNP) transactions

- (i) All OCBC Debit Card-i are blocked by default from overseas and CNP transactions such as purchases via online, mail order, fax order and telephone orders.
- (ii) You must opt-in first before you can use your OCBC Debit Card-i for overseas and CNP transactions. You may opt-in during account opening or debit card application, call OCBC Contact Centre number printed at the back of the OCBC Debit Card-i, or login to OCBC Internet Banking.
- (iii) You can choose to opt-in or opt-out from time to time.

• Better financial management by setting daily transaction limits

- (i) Set your "Daily Purchase Limit" and "Daily Withdrawal Limit" based on your comfort level but subject to the maximum of RM5,000 via OCBC Internet Banking or visit any of our OCBC/OCBC Bank branches. Your contactless purchase limit is part of your "Daily Purchase Limit".
- (ii) You can set the Daily Purchase Limit to RMo if you do not want to have the purchase function on your OCBC Debit Card-i.

• SMS transaction alerts

Receive SMS alerts when transactions are above a threshold amount. You can set the threshold amount via OCBC Internet Banking or visit any of our OCBC branches. If you fail to update OCBC on the change of your mobile phone number,

then you may not discover unauthorised transactions until it is too late and you will suffer losses.

3. What are the key terms and conditions?

• Pre-Authorisation amount for automated fuel dispenser

A pre-authorisation amount of RM200 will be earmarked in your Designated Account for payment made using your OCBC Debit Card-i at the automated fuel dispenser. The pre-authorisation amount will be released and actual transaction amount will be debited from the Designated Account within 3 working days after the transaction date. If the Designated Account does not have available balance of minimum RM200, the automated fuel dispenser transaction will be rejected.

• Contactless functionality

- (i) You have the option to turn on/turn off the contactless function during account opening or debit card application, or any time thereafter via OCBC Internet Banking.
- (i) If you choose to turn on this function, you have to select cumulative contactless purchase limit up to RM500 and cumulative contactless purchase count up to 5 transactions via OCBC Internet Banking or visit any of our OCBC/OCBC Bank branches.
- (ii) If your contactless purchases have exceeded the cumulative contactless purchase limit and/or cumulative contactless purchase count that you selected, you are required to enter PIN to authorise the transaction. Once you have performed a PIN transaction at POS terminal, your cumulative contactless purchase limit and cumulative contactless purchase count will be reset to zero so that you can continue to use your Debit Card-i for next contactless purchase.

4. What is the Shariah concept applicable?

The Shariah concept that is applicable to OCBC Debit Card-i is Ijarah bil 'Amal.
