## **Statement by Financial Markets Committee Initiative to Develop the Onshore Financial Market**

Ref No : 12/16/01 02 Dec 2016 Embargo : Not for publication or broadcast before 1800 hours on Friday 02 December 2016

As part of the strategy to broaden and deepen the Malaysian financial markets, the Financial Markets Committee, in collaboration with Bank Negara Malaysia (BNM), would like to announce several measures intended to enhance the liquidity of the foreign exchange (FX) market with effect from 5 December 2016:

### **Liberalisation and deregulation of the onshore ringgit hedging market**

- To provide greater flexibility for market participants to manage foreign exchange (FX) risks, residents (including resident fund managers) may freely and actively hedge their USD and CNH exposures up to a limit of RM 6 million per client per bank. A one-time declaration of non-participation in speculative activity would suffice.
- Resident and non-resident fund managers can now actively manage their FX exposure up to 25% of their invested assets. To qualify for this arrangement, registration with BNM would suffice.
- To broaden accessibility of foreign investors and corporates to the onshore FX market, offshore non-resident financial institutions may participate in the Appointed Overseas Office<sup>[1]</sup> (AOO) framework which will be accorded additional flexibilities on ringgit transactions. These flexibilities include FX hedging (own account/on behalf of client) for current and financial account based on commitment, opening of ringgit account (book-keeping) and extension of ringgit trade financing.

### **Streamlining treatment for investment in foreign currency assets**

Resident entities with domestic ringgit borrowing are free to invest in foreign currency assets both onshore and abroad up to the prudential limit of RM50 million. Residents without domestic ringgit borrowing shall continue to enjoy flexibility of investing in foreign currency assets both onshore and abroad up to any amount.

This gives equal treatment for residents with ringgit borrowings investing in foreign currency assets whether in the onshore or offshore market.

### **Incentives and treatment of export proceeds**

Exporters can retain up to 25% of export proceeds in foreign currency. They may hold higher balances with approval from BNM to meet their obligations in foreign currency. Payment by resident exporters for settlement of domestic trade in goods and services is now to be made fully in ringgit. All ringgit proceeds from exports can earn a higher rate of return via a special deposit facility. The special deposit facility for ringgit proceeds will be offered to exporters via all commercial banks and receive a rate of 3.25% per annum. This facility will be offered until 31 December 2017 subject to further review.

Foreign currency arising from conversion of export proceeds will be used to ensure continuous liquidity of foreign currency in the onshore market.

In addition to the newly announced hedging measures, exporters are also able to hedge and unhedge up to 6 months of their foreign currency obligations. -

These measures are intended to promote a deeper, more transparent and well-functioning onshore FX market where genuine investors and market participants can effectively manage their market risks with greater flexibility to hedge on the onshore market. A deep and liquid onshore FX market will enable investors to better manage against volatile currency movements.

The above measures are part of a series of market development initiatives by the Financial Markets Committee. The aspiration is to have a highly developed, liquid and deep FX market in Malaysia commensurate with the growth of the economy and the increasingly sophisticated needs of the users.

**IMPORTANT NOTICE**

**Supplementary Notice on Foreign Administration Rules – Measures to Promote the Development of Malaysian Financial Market**

We refer to the Supplementary Notice on Foreign Administration Rules to Promote the Development of Malaysian Financial Market ("**Supplementary FEA Notice**") issued by BNM on 2 December 2016, which takes effect on 5 December 2016

- 1) Under this Supplementary Notice:-
  - (a) Foreign Currency Account I ("**FCA I**") has been reclassified to **Trade Foreign Currency Account ("TFCA")** with revised sources/usage of funds as shown in the enclosed **Appendix**. Briefly, a resident exporter which receives foreign currency proceeds from export of goods from 5 December 2016 onwards :-
    - is allowed to retain up to 25% of the export proceeds in foreign currency in the TFCA;
    - the balance 75% must be converted into Ringgit ("**Ringgit Proceeds**").
  - (b) a Special Deposit Facility which pays profit at 3.25% per annum ("**SDF Profit**") is availed to your company for the Ringgit Proceeds. Please refer to the **Appendix** for brief summary of the Special Deposit Facility.
- 2) To facilitate your company's compliance with the Supplementary FEA Notice and to avail the Special Deposit Facility to your company to earn the SDF profit, we are pleased to inform you of the following, which takes immediate effect:
  - (a) **Renaming of your FCA I to TFCA** :
    - (i) Your existing FCA I has been renamed TFCA. The operating mandate for FCA I will apply to the TFCA.
    - (b) **RM SDF Account** : The RM SDF Account is a non-checking account to hold your Ringgit Proceeds and earn you the SDF Profit pending your utilisation of the Ringgit Proceeds. In line with this objective, the same operating mandate in your FCA I will apply for any deposits into and withdrawals from your RM SDF Account.
    - (c) **Velocity@ocbc**:
      - (i) As your company has signed up for Velocity@ocbc for FCA I, the same mode of accessing FCA I via Velocity@ocbc will apply to your company's access to TFCA and RM SDF Account via Velocity@ocbc. This means that the "Users" (such as maker, authoriser, viewer and/or administrator) that the Authorised Person(s) of your company have appointed for accessing FCA I via Velocity@ocbc will apply for access to TFCA and RM SDF Account via Velocity@ocbc.
      - (ii) If you do not wish to apply the same mandate as FCA I for RM SDF Account and/or wish to change the "Users" to access RM SDF Account via Velocity@ocbc, please let us have the revised mandate(s)/Users signed by your Authorised Person or supported by Board Resolution, as applicable, in order to operate both RM SDF Account and Velocity. Please contact your Relationship Manager or immediately visit any OCBC branch if you have any queries.

If you wish to impose a different mandate for the RM SDF Account, please notify us **within 7 days** ("**Notice Period**") from the date of the letter you received from the bank by contacting Helpdesk Hotline at telephone number 1300-88-0255 (OCBC Al-Amin).

Thank you.
