KUALA LUMPUR, 29 September, 2011 – Up to 100 of Malaysia's top national cyclists will engage in an epic 90-minute showdown on 16 October 2011 in a new category introduced to *OCBC Cycle Malaysia*, the country's largest mass participation cycling event on closed roads.

The *Kenny Heights Ultimate City Race*, a by-invitation-only ride category, will feature top national cyclists in Malaysia including Anuar Manan, Mohammad Adiq Husaini Othman and Falanie Ali, who were all present at today's press conference.

Kenny Heights is the Official Category Sponsor for the event that seeks to showcase the best of Malaysian cycling by challenging riders to complete the most number of laps within 90 minutes. *OCBC Cycle Malaysia* is organised by Spectrum Worldwide and title-sponsored by OCBC Bank (Malaysia) Berhad.

The *Kenny Heights Ultimate City Race* flags off at 1pm on 16 October 2011 at Dataran Merdeka, concluding a weekend that will have brought together riders of all ages and cycling experience.

"Having the top Malaysian cyclists blazing through the streets of Kuala Lumpur is an incredibly thrilling prospect and a fantastic addition to the *OCBC Cycle Malaysia* programme," said Angus Gordon, Commercial Director, Spectrum Worldwide.

"There is great anticipation surrounding *OCBC Cycle Malaysia* and the introduction of the Kenny Heights Ultimate City Race will certainly generate even greater excitement within local cycling circles," he added.

Jeffrey Chew, Director & CEO of OCBC Bank (Malaysia) Berhad, said the involvement of the national cyclists will raise the bar at *OCBC Cycle Malaysia* and make the event even more complete.

“Having our country’s best riders participate on the day certainly enhances the picture for *OCBC Cycle Malaysia* as it now goes beyond just the public and regular cycling enthusiasts to encompass Malaysia’s crème de la crème of cycling as well. It will be a visual spectacle for the crowds to watch too,” he said.

Carrying out the selection process is the Malaysian National Cycling Federation, the country’s sanctioning body for cycling. Deputy President Datuk Naim Mohamad lauded the move, stating that the inclusion of the top riders added credibility to *OCBC Cycle Malaysia* as a premier event in the cycling calendar. “The OCBC Cycle events have had a terrific track record in the region, attracting some of the world’s best cyclists, including our very own Anuar Manan. Participation of Malaysia’s best cyclists in the *Kenny Heights Ultimate City Race* is pivotal to creating excitement for the sport amongst the community.

Underlining its commitment to provide participants with a memorable experience, Spectrum Worldwide and OCBC Bank also announced that the Cycling and Lifestyle Village and cycle pack collection for *OCBC Cycle Malaysia* will now be held at Avenue K on Jalan Ampang. Dato’ Jeff Yap, Executive Director of Kenny Heights expressed his delight at the collaboration.

“At Kenny Heights, our vision is to offer Malaysians an improved quality of life through sustainable and sophisticated development. To be associated with a landmark sporting event such as *OCBC Cycle Malaysia* augurs well with our corporate values and we are delighted to be able to improve the overall experience for participants and spectators alike,” he said.

The relocation bodes well for both participants and spectators as Avenue K’s prime location near the Kuala Lumpur City Centre (KLCC) allows greater accessibility via the Putra Light Rail Transit (LRT) KLCC station. The air-conditioned, indoor environment will also enhance the comfort and convenience of all participants during the cycle pack collection and for the Cycling and Lifestyle Village.

All categories for the event proper flag off from Dataran Merdeka.

“Avenue K promises a conducive environment for families and passersby, which will allow more people to be a part of this exciting spectacle,” added Gordon.
