TERMS AND CONDITIONS FOR RINGGIT & FOREIGN CURRENCY TRANSFER TO OTHER BANKS

Warranty on Source of Funds: The Customer represents and warrants to the Bank that the source(s) of funds for the funds transfer request is lawful under the laws and regulations (including the foreign exchange administration rules) of all relevant jurisdictions and will take all necessary actions to ensure that such laws or regulations will not be contravened and will be complied with at all times.

Cut-Off Time: The Bank may without prior notice to any persons, establish or change the cut-off times for the receipt and processing of funds transfer requests, amendments or cancellations (collectively, "Requests"). Any Requests accepted by the Bank (which shall be at its sole discretion and may be with conditions) after the relevant cut-off times shall be deemed to have been received by the Bank on the next Business Day. Acceptance by the Bank shall include the process of authentication by the Bank of the Requests and subject to the Bank's receipt of immediately usable funds. "Business Day" means a day on which banks in Kuala Lumpur and the relevant funds transfer systems are opened for business. Requests are also subject to cut-off times related to the geographical location of the destination, if outside Malaysia.

Execution of Request: The Bank may require additional information for processing or authentication of any Requests. The Bank may act solely on the basis of identifying numbers (eg. Account numbers) of the Customer, Recipient and Recipient's bank, whether or not the Customer has accurately provided the names of such persons. The Bank shall have no duty to independently verify any numbers or names. Requests shall be made as per the mandate in debiting account(s).

Notification of Executed or Rejected Requests: The Bank will not advise or confirm executed Requests, which will be reflected in periodic statements for the debiting account(s), if any. For rejected or unsuccessful Requests, the Bank will endeavour to contact the Customer through the contact details provided by the Customer; the Bank, however, has no liability to the Customer if contact was not made or was not made within any specified period of time.

Fund Transfer Systems, Intermediaries and Third Parties: The Bank may at its sole discretion use any means for the transmission of funds requested by the Customer including using as the Bank's deem fit, any communications, funds transfer, processing or transaction system, intermediary bank and/or any third party(ies) (collectively, "Third Parties"). For domestic transmissions, the Customer may be able to select the funds transfer systems subject to thresholds from time to time set by the Bank and/or the system providers without prior notice to any persons. The Customer hereby authorises the Bank to disclose all information relating to the Request (including information relating to the Customer and Recipient) to the Third Parties and (as required by any jurisdictions) to any authorities or persons. The Bank shall not for any reasons (even if advised of the same) assume any liability towards the Customer and/or any persons, for the terms and conditions, procedures, and/or approval, and/or action, co-operation, omission, and/or timeliness, as applicable, of a Third Party.

Compliance: The Customer agrees that the Bank will process Requests in accordance with the Bank's established and regular business practices, procedures and policies. The processing of any Requests shall also be subject to the terms and conditions, procedures, approval, action and/or co-operation of Third Parties. The Bank and the Third Parties may decline any Requests if in any of their sole opinion the execution of the Requests may contradict any laws, rules, regulatory or policy requirements, internal or external.

Cancellation and Amendment: Once a funds transfer request is accepted by the Bank, cancellation of or amendment to the funds transfer request is not allowed. The Bank may at its sole discretion use reasonable efforts to assist the Customer to do so, but shall not be liable for any loss, cost or expense suffered by the Customer if the Bank does not or is unable to cancel or amend the funds transfer request. The Customer hereby agrees to indemnify the Bank against any loss, liability, claim or expense (including legal fees) it may incur in connection with assisting the Customer to cancel or amend a funds transfer request.

Limitation of Liability: The Bank shall not be liable to the Customer or persons for any damages (including returned cheques), expenses, costs (including legal costs), loss of profits or earnings (whether direct or indirect), goodwill or any special/exemplary, incidental, direct or consequential loss or damage whatsoever or howsoever arising even if the possibility of such loss, damage or claim was advised or known to or foreseeable by the Bank. Without limiting any provisions in this Clause: (i) the Bank shall have no liability in connection with circumstances beyond the Bank's control; and (ii) the Bank's sole and entire liability to the Customer in contract, tort (including negligence or breach of statutory duty) or otherwise howsoever arising related to a Request shall not exceed the amount of Charges received by the Bank.

Payment and Refund: If the Customer does not have foreign exchange arrangement with the Bank and the amount to be remitted and amount the Customer paid to the Bank are in different currencies, then when the Customer's payment is in: (i) Ringgit Malaysia, the Bank will convert the funds at its prevailing selling rate; (ii) Foreign currency, the Bank will convert the funds at its prevailing buying rate into Ringgit Malaysia and then convert the Ringgit Malaysia amount into the required remittance currency at its prevailing selling rate; subject to the availability of the relevant currencies, and any exchange controls or other restrictions. Refund shall unless agreed by the Bank, be in Ringgit Malaysia, and less costs, charges, expenses and interest. Currency conversion rate will be at the sole discretion of the Bank, subject to availability of relevant currencies, and any exchange controls or other restrictions. Refund will only be made after the Bank receives the proceeds and confirmation of effective cancellation of the remittance from the relevant Third Parties.

Costs and Fees: The Customer shall bear all costs, expenses and fees (collectively, "Charges") relating to any Request. For telegraphic funds transfer request: (i) the Bank may collect the Charges from either or both of the Customer or/and the Recipient as indicated by the Customer; (ii) if the Customer has not indicated any preference, then the Bank may collect local charges from the Customer and overseas charges from the Recipient. Collection from the Recipient may be by deduction off the remittance amount. For fees and charges, please refer to the Bank's website at www.ocbc.com.my/fees.
