**EXPLANATIONS to Table 2:**

- (a) Average daily account balance = sum of everyday balance for the calendar month then divided by number of days in the calendar month.
- (b) In Scenario A, as Customer A fulfils the requirements for "Deposit" category within May 2017, he earns 1.20%p.a. Bonus Interest on average daily account balance up to RM100,000 only (notwithstanding that his average daily account balance was RM118,070.97) for the month of May 2017 which is RM101.92. If Customer A does nothing in the next calendar month i.e. June 2017, then he only earns Base Interest at Board Rate on the entire account balance of RM350,500 and he does not earn any Bonus Interest in June 2017
- (c) In Scenario B, Customer B fulfils the requirements for "Credit Card and/or Debit Card" and "Deposit" categories within June 2017 (he does not fulfil the requirements for "Bill Payment" category because he only makes 1 Bill Payment instead of 3 as required). Therefore he earns 2.40%p.a. Bonus Interest on the average daily account balance of RM79,416.67 for the month of June 2017 which is RM156.66. If Customer B does nothing in the next calendar month i.e. July 2017 except for payment of his June 2017 credit card charges via OCBC Internet Banking and the standing instructions towards repayment of his OCBC housing loan (he does not fulfil the "Bill Payment" category by making only 2 Bill Payments), he does not earn any Bonus Interest in July 2017.
- (d) In Scenario C, Customer C fulfils the requirements for "Bill Payment" and "Credit Card and/or Debit Card" categories within July 2017. Therefore he earns 2.40%p.a. Bonus Interest on the average daily account balance of RM49,508.07 for the month of July 2017 which is RM100.92. If Customer A does nothing in the next calendar month i.e. August 2017, he does not earn any Bonus Interest in August 2017.
- 3.7. For any transactions or payments that are subsequently cancelled, voided or reversed within the same calendar month, relevant adjustment will be made. In event that adjustments are not made, OCBC Bank reserves the right to claw back the amount of Bonus Interest credited.
- 3.8. The Board Rate and Bonus Interest rates fluctuate from time to time and the Eligible Customer may find the latest rates at OCBC Bank's website at [www.ocbc.com.my](http://www.ocbc.com.my)
- 3.9. In the event of closure of the OCBC 360 Account, the Board Rate shall be applied to compute the daily interest accrual on balances up to the previous day of account closing for the calendar month and no Bonus Interest is payable.
- 3.10. Each Eligible Customer may only open ONE OCBC 360 Account, whether in own name or in joint names. If for any reason an Eligible Customer opens more than one OCBC 360 Account, the Base Interest and Bonus Interest are only given to the ONE OCBC 360 Account opened first in time. The other "OCBC 360 Account(s)" opened subsequent to the first may be converted into the OCBC MoneyMax Savings Account or such other savings account as OCBC Bank may at its absolute discretion deem fit. In any event, such subsequently opened "OCBC 360 Account(s)" will not earn the Base Interest and Bonus Interest, but will only earn basic savings account interest at such rate as may be determined by OCBC Bank from time to time.
- 3.11. An OCBC 360 account with RM0 balance for more than 90 days will be closed. A notification via SMS or any other means, as the Bank deems fit, will be sent prior to the account closure. Reactivation of a closed account shall be at OCBC Bank's sole discretion.

**4. Other general conditions**

All the existing terms and conditions governing the respective OCBC Bank products and services referred to in these terms and conditions, including without limitation the terms and conditions governing OCBC Bank deposit accounts, OCBC Bank credit cards, OCBC Bank debit cards, OCBC Online Banking or Internet Banking, etc., shall continue to apply. In the event of discrepancy, these terms and conditions shall prevail only insofar as they govern the Eligible Customer's rights and obligations under the OCBC 360 Account.
- 4.2. OCBC Bank may, at its sole and absolute discretion, after giving 21 calendar days' notice, modify or vary these terms and conditions by adding or supplementing, removing or withdrawing, suspending or otherwise changing any of these terms and conditions and benefits, including without limitation the Base Interest, Bonus Interest, Board Rate, Bonus Interest rates, Maximum Average Balance, etc. Such modification or variation may be notified to the Eligible Customers by placing a general notice in any one issue of a daily national newspaper or by posting a general notice in any OCBC Bank branch or its website or by incorporating the notice into OCBC Bank's statement sent to the customers periodically and the notice will take effect from the date set out in the notice.
