

SAFER. SECURE.

AUTHORISE ONLINE BUSINESS DEBIT CARD/-I TRANSACTIONS WITH OCBC ONETOKEN

To further safeguard our customers against financial scams, we are replacing SMS One Time Password (OTP) with our secure OCBC OneToken for online Business Debit Card/-i transactions, effective from June 2024.

To ensure smooth online Business Debit Card/-i transactions experience, we urge our customers to register for OCBC Velocity and activate their <u>OCBC OneToken</u>.

Note: For the enhanced security, you can only start to make online Business Debit Card/-i transactions 12 hours after the successful activation of your OCBC OneToken.
