

**OCBC BANK STAFF RAISE RM60,000  
FOR COMMUNITY DEVELOPMENT WORK**

Kuala Lumpur, 4 May 2010 – Staff of OCBC Bank (Malaysia) Berhad's Operations & Technology recently raised RM60,000 in three hours through a Staff Charity Fair at the Bank's headquarters, Menara OCBC, Kuala Lumpur. The proceeds will be used for community development work in Bandung, Indonesia and Kota Bharu, Malaysia.

OCBC Bank's Head of Operations,  
Mr Lim Yau Seong

A similar Charity Fair, held at the same time in Singapore, raised around S\$113, 000.

Tickets for the Charity Carnival were sold to OCBC Bank staff. All stalls were manned by the staff themselves and sales were made to their colleagues, including heads of departments and senior management.

According to OCBC Bank's Head of Operations, Mr Lim Yau Seong, this year's event was bigger and better than a similar one last year, with 13 stalls manned by various departments selling a wide range of food, tit-bits and fashionable accessories.

Participation came from OCBC Bank staff from other states as well. Heads of Departments from the Operations & Technology Division were seen donning aprons and inviting patrons to taste their delectable spread of food.

The development project, carried out in collaboration with Habitat For Humanity, includes building 20 houses and renovating a school. Over the past two years, OCBC Bank has constructed 10 homes and 4 classrooms in Bandung, Indonesia. In addition to the homes built in Bandung, 2 more homes will be built this June in Kota Bharu under the same initiative.

“We are pleased to be able to contribute, in a small way, towards the future of the poor and needy especially in calamity-stricken areas,” Mr Lim said.
