No.	Question	Answer
1	What is eKYC?	According to the electronic-Know Your Customer (eKYC) policy issued by Bank Negara Malaysia (BNM) on 30 June 2020, eKYC is an online process of identifying and verifying individual customers using electronic means. This enables a person to open an account anytime and anywhere, hassle free. The process replaces the face-to-face identity verification method.
2	What are the benefits of performing the eKYC verification?	This convenient option for saving time sees to it that an individual does not need to visit the branch to complete the identity verification process; this can be done entirely online.
3	At which stage will I be required to perform the eKYC verification process?	You will be required to perform self-verification via the eKYC verification portal upon submitting your online application.  i) For desktop users, please scan the QR code to proceed with the eKYC verification process. ii) For mobile users, please click the “Verify identify” button to proceed with the eKYC verification process.  Alternatively, you may continue with the eKYC verification process from the email that the Bank sent you if you have not already done so. You are advised to complete the eKYC verification within 7 calendar days.
4	What should I have ready before performing the eKYC verification?	Please ensure you: a. Have your mobile phone with stable internet connection. b. Have your original identification card <i>MyKad</i> (dual image) with you. c. Are in a brightly lit environment.
5	What happens during the eKYC verification process? What do I need to do?	1. Capture a photo of your original <i>MyKad</i> (both front and back). 2. Take a selfie video.
