- a) The estimated premium for this plan that you have to pay is RM<Premium>
- b) Premium duration: <Premium Payment Term> years or upon termination, whichever occurs first.

The Company allocates a portion of the premium to purchase units in the investment-linked fund(s) that you have chosen. Any unallocated premium will be used to pay commissions to intermediary and other expenses such as operating expenses of the Company including office expenses, marketing and distribution costs. 5. What are some of the key terms and conditions that I should be aware of?

- a) **Importance of disclosure** – you must disclose all material facts such as medical condition, and state your age correctly.

- c) **Total investment value** – The total investment value of the ILP depends on the performance of the investment-linked fund(s) selected. The higher the level of insurance coverage selected, the more units will be absorbed to pay for the insurance charges and the fewer units will remain to accumulate total investment value under your policy.
- d) In the case of a collateral policy where the benefit payout (inclusive of non-guaranteed benefits) at maturity is designated for settlement of a credit facility, please note that the actual maturity payout may not be sufficient to cover the outstanding loan amount after taking into account the variability of non-guaranteed benefits.
- e) **Grace period** - a grace period of 30 days from each premium due date is given for you to pay the subsequent premiums.
- f) **Policy Lapse** - subject to No-Lapse Guarantee, the ILP will lapse when the value of investment units is insufficient to pay for the insurance and other charges.

It is important that you inform the Company of any change in your or your nominee(s) contact details to ensure all correspondences reach you or your nominee(s) in a timely manner.
