

# BEWARE OF INTERNET LOVE SCAMS

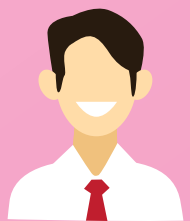

IS YOUR ONLINE CRUSH REALLY  
YOUR TRUE LOVE OR A SCAMMER?

“  
I STEAL  
YOUR HEART,  
I STEAL  
YOUR MONEY  
”

## THE COMMON SIGNS...

They reside in another country and are 'far far' away from you.

Their profile seems too good to be true.

They are always in trouble and seek your help by asking for money to help them tide through their so-called misery.

They always avoid meeting you in person.

They often sweet talk you, pretend to care and ask for money as proof of your love.

They make empty promises in exchange for luxury gifts.
