<p>PRODUCT DISCLOSURE SHEET</p> <p>(Read this Product Disclosure Sheet before you decide to take up Cash Financing-i. Be sure to also read the terms in the application form. Seek clarification from your institution if you do not understand any part of this document or the general terms)</p>	<p>OCBC Al-Amin Bank Berhad CASH FINANCING-i</p> <p>Date: _____</p>										
<p>1. What is this product about?</p> <p>Cash Financing-i is a Shariah-compliant unsecured financing facility for personal use. This facility is calculated on a flat rate basis (Rule of 78 or Sum of Digits method).</p>											
<p>2. What is the Shariah concept applied?</p> <p>It is based on the Shariah principle of Tawarruq concept which consists of two sale and purchase contracts. The first involves the sale of an asset by a seller to a purchaser on a deferred basis. Subsequently, the purchaser of the first sale will sell the same asset to a third party on a cash and spot basis, that is:</p> <ol style="list-style-type: none"> i. The Bank sells to the Customer, asset at cost plus profit (Bank's Sale Price) on deferred payment ("Contract 1"); and ii. Subsequently, the Customer sells the asset at Bursa Suq Al-Sila' ("Contract 2"). <p>The purpose of Tawarruq transactions is to facilitate the financing and will be arranged with dual-agency, whereby the Bank acts as the Customer's agent (Wakil) in Contract 1 to buy the asset from the Bank, and in Contract 2 to sell the asset. The asset will be Shariah-compliant commodities (i.e. Crude Palm Oil) traded on Bursa Suq Al-Sila' or such other Shariah compliant commodities and trading platforms as determined by the Bank acting as the Customer's agent (Wakil).</p> <p>Roles and responsibilities of the contracting parties:</p> <ol style="list-style-type: none"> 1. Bank: As Customer's agent (Wakil), Bank shall conclude the Tawarruq transactions. 2. Customer: As purchaser, Customer shall pay the Bank's Sale Price according to the agreed tenure. <p>Further explanations of the Tawarruq transactions:</p> <ol style="list-style-type: none"> 1. Each sale and purchase contract in the Tawarruq is binding in nature and shall not be terminated unilaterally by any of the contracting parties. 2. The common inherent nature of each sale and purchase contract in the Tawarruq is the transfer of ownership of the asset from the seller to the purchaser for a consideration.
