## **Product Name: OCBC Booster Account-i**

What is OCBC Booster Account-i?

An Islamic Savings Account that offers attractive profit rates but with the flexibility of a transactional account.

General Information	
Shariah Contract	Tawarruq
Definition and salient features	Tawarruq refers to a sale of an asset by a seller for a price to be paid on deferred basis, and the subsequent sale of the asset by the purchaser to a party other than the original seller on cash basis, for the purpose of obtaining cash.
How does the Product Work?	The Tawarruq transactions will be conducted through dual agency arrangement. Under this arrangement, OCBC Al-Amin Bank Berhad ('OCBC Al-Amin') will act as the Customer's agent to conclude the Tawarruq transactions. Essentially, the Customer is the seller and OCBC Al-Amin is the purchaser of commodity at deferred price. The detailed explanation is as follows:
	The Customer deposits funds* with OCBC Al-Amin and appoints OCBC Al-Amin as the Customers' agent to purchase commodity. The commodity will be Crude Palm Oil ('CPO') or such other Shariah compliant non-Ribawi commodity as determined by OCBC Al-Amin.  *Customers Funds: Customer's Purchase Price
	OCBC Al-Amin purchases commodity as the Customers' agent from a broker at spot. If there is no request of physical delivery of the commodity, the Customer authorises and appoints the Bank as agent (Wakil) to sell the commodity at an amount equivalent to Bank's Purchase Price to any party including to the Bank itself when the Customer has constructive possession (Qabd al-Hukmi). OCBC Al-Amin then purchases the commodity from the Customer at cost plus profit**.  **Cost plus profit: Bank's Purchase Price
	Profit will accrue daily to be credited to Customer's account at the end of the month.
	The Tawarruq transactions will be carried out on every trading day of a trading platform selected by OCBC Al-Amin, so long as the trading day is also a banking day in Kuala Lumpur.
Shariah-compliant Asset(s)	Crude Palm Oil ("CPO") or such other Shariah compliant non-Ribawi commodities as determined by the Bank acting as Customer's Wakil.
