

Financial Scan Summary

as of 01 June 2017

Suzzane Teoh

Your current financial standing is **GOOD**.

You have saved and managed debt well. Investing can help you beat inflation and get there faster. Look into your insurance as well to avoid that one mishap derailing you from your dreams.

Debt: **Good**

Monthly debt payments are 50% or below of your monthly income.

Investments: **Poor**

You are investing at least 76% of your savings.

Savings: **Good**

Monthly savings are 10% or more of your monthly income.

Insurance: **Poor**

Your insurance coverage is sufficient to cover at least 3 times of your annual income.
